

Lasting impressions

Document Binding Systems Coverbind® 101 and 5000

You never get a second chance to make a first impression. And first impressions are lasting impressions. How you deliver information to your customers is key to their perception of you and your company's ability to meet their needs.

Professional presentations

The Coverbind® 101 and 5000 produce highly professional looking, book-like presentation documents. Demonstrate to your customers they can expect nothing but the best from you. Deliver top-notch looking presentations and set yourself apart from competition – and make a lasting impression time and time again.

Help increase sales

Be prepared for that important presentation. Coverbind® can bind a single 500-page document or simultaneously bind up to 20 smaller documents at a time, producing, professional looking presentations that will wow your customers.

Count on it

It can be nerve-wracking getting everything ready for a presentation. Not with Coverbind®. Our solutions can bind hundreds of documents per hour so no more last minute presentation preparation.

Multi-talented

Small enough for your office and powerful enough to support a larger operation, the Coverbind® tabletop design can be for individual or shared use.

Make your own impression

Choose your covers from a variety of pre-made stocks and colors that impart the impression that you and your company want to make.

Coverbind® 5000 Document Binding System

Manually operated powerhouse of possibility. An excellent choice for lower volumes, odd sizes, larger page capacity and as a companion to the Coverbind® 101.

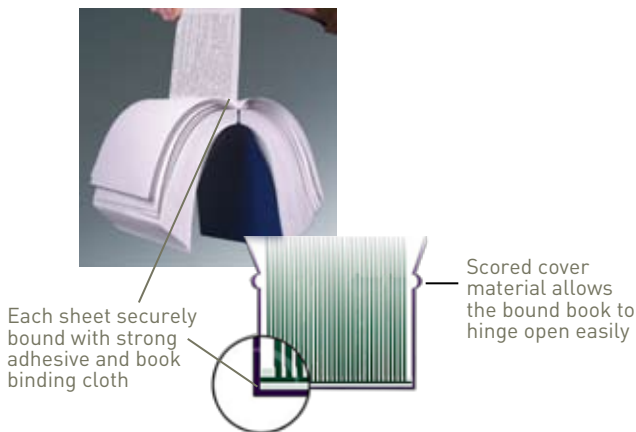

Coverbind® 5000 specifications

Document Formats:	min: 5 1/2" x 8 1/2" max: 14 7/8" x 11"
Spine Size:	1/16" up to 2"
Volume:	Up to 15 documents, dependent on spine width, per binding cycle (~60 seconds)
Power Supply:	115V, 50/60Hz, 700W, 6.4amps (maximum)
Dimensions:	17 9/16" L x 10 3/8" W x 5 1/4" H
Weight:	12 lbs

Perfect-bound look

During the binding process, the book binding cloth and special adhesive flows to ensure all the pages are securely fused into the book. The process creates a professional presentation document that's durable and hinges easily.

Coverbind® 101 Document Binding System

A powerful, automated, and flexible binding solution capable of binding hundreds of documents per hour. A Coverbind® 101 will produce quality, professional presentation documents time after time.

Coverbind® 101 specifications

Document Formats:	8 1/2" x 11"
Spine Size:	1/16" up to 1/2"
Volume:	Up to 100 documents can be bound in less than 4 minutes, depending on spine width
Power Supply:	115V, 50/60Hz
Dimensions:	19" L x 20" W x 15" H
Weight:	60 lbs

Cover material

Select from a wide variety of covers that match your specific application. Our most popular covers feature a unique, non-glare clear plastic front. Hard covered binding materials are also available for creating a true bound book. Need to customize? Print on Demand covers allow you to create your own designs and then print them - front and back.
